Report of Principal and School Improvement Council

College Park Middle is home to approximately 760 students in grades 6-8. We are committed to maintaining our focus on student learning and increasing student achievement on measures such as teacher made assessments, MAP tests, End of Course Exams in Algebra I and English I, and PASS tests. Additionally, our teachers of English/Language Arts and math used assessment data to determine student mastery of standards with both pre and post tests. These results were used to drive more individualized instruction. Our focus on student achievement continues to pay dividend in many ways. College Park Middle School saw 99% of our students enrolled in Algebra I pass the End of Course Exam. English I students also did well on this test with approximately 98% of our students passing this high stakes exam. One hundred ninety of our students left our school earning at least one high school credit.

The principles of Making Middle Grades Work continue to provide the framework and structure to our school. We continue to use our NO ZERO and Re-do policies to help us focus on promoting student mastery of concepts taught. College Park Middle continues to provide opportunities for students to receive EXTRA TIME and HELP throughout the school year. We continue to offer students additional assistance through Friday and/or Saturday school, as well as opening our computer labs for assistance on Wednesdays for the "NO ZERO ZONE." Our EXTRA TIME and HELP period was also offered on Wednesdays for all students during the regular school day. Our focus for this program is to offer all students a chance at receiving either reteaching or enrichment.

We continue to have many things to celebrate. Through a partnership with Northwoods Church, we were able to offer the "Rachel's Challenge" program to all of our students and staff. Google offered multiple computer science camps to our students after school. Students were exposed to multiple opportunities to learn about computer programming, game development, app design, and many other topics. Our sixth grade students were given karate lessons during PE classes! Our school continues to work on enhancing student literacy skills through science and math instruction with the IQ-MS grant also awarded by Boeing. Multiple students received recognition for being Duke TIP Scholars, South Carolina Junior Scholars, and being selected for All-County and/or All-Region in band, chorus, and strings. The 2013-14 school year was a success! We are excited about what 2014-15 has in store.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	68.7
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

College Park Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
